### **HOMEWORK POLICY**

Gary Middle College students are encouraged to do as much work at home as possible. Completion times for courses vary depending upon how quickly students finish their work. We strongly recommend a minimum of ten hours of additional work outside the classroom to maintain a pace for graduation.

### **IMMUNIZATIONS**

Indiana Code requires that the school corporation maintain a file of immunization history for each student. When a student enrolls for the first time or any subsequent time and at any level, his/her parents must show either that he/she has been immunized or that a current religious or medical objection is on file. The law further states *that no child may remain in school beyond the date of his enrollment without minimum required immunizations.*

### **MEDICATION POLICY**

When it is necessary for a student to take medication during the school day, Indiana State Code must be followed. Both prescription and non-prescription medication must be brought to the school clinic and kept there for the nurse or nurse-delegate to dispense. Medication may be given or dispensed only by a school administrator, school nurse, teacher, or other school employee designated by the school administrator.

### **Prescription Medication**

1. The school must have written permission from both the doctor and parent or legal guardian to give the student prescription medication. The consent of the parent shall be valid only for the period specified on the consent form and in no case longer than the current school year. The parent note should include the time schedule for administration of medication. If the medication is to be terminated prior to the date on the prescription, the written consent of the parent is required. The written consent of the parent and the written order of the physician shall be kept on file.
2. Medication must be in the original pharmacy container with the pharmacy label bearing: **date, student's name, name of medication and strength, directions for administering (frequency and amount).**
3. In NO INSTANCE may the physician's ordered medication dosage or frequency of administration for prescription medication be altered.
4. In NO INSTANCE may the student carry inhaler(s) on him/herself without a **Student Asthma Action Card** filed in the clinic and signed by parent and physician, giving permission for the student to carry an inhaler on his or her person.

**Non-Prescription Medication**

1. The school must have written permission from parent and doctor including: **date, student’s name, name of medication, amount to be given, frequency of administration and time schedule and date to discontinue.**
2. The school must be in original container bearing: **name of medication, directions for use, recommended dosage and manufacturer’s expiration date (if appropriate).**
3. Medication container must be labeled with student’s name in permanent marker.
4. In **NO INSTANCE** may the manufacturer’s recommended dosage or frequency of administration for non-prescription medications be exceeded, unless a written note from the physician, stating that the medication may be given, is presented with the medication.

**MONEY**

It is strongly suggested that students not be allowed to carry significant amounts of money to school unless there is a specific purpose for which it is to be used. In cases where money is lost or stolen school personnel will not investigate.

**PARENT RIGHTS**

Parents have the right so see all records that pertain to their individual student (under the age of 18). If you desire to view your student’s records, contact the Principal. Student records may not leave the office area. You will be given a private area to view the records. By law, student records must be kept confidential and viewed only by school personnel dealing with the child directly. No information can be shared publicly in any way without expressed written permission of the parent or guardian.

1. **Non-Custodial Parent Rights** - Unless a court order is on file preventing a parent from visiting or receiving information concerning a child, non-custodial parents have the right to visit children, view records, and take part in communications regarding the child. Please contact the Principal concerning any problems with custodial and non-custodial parents that would affect our school.
2. **Special Education** - Parents of students identified with disabilities have certain legal rights. Please contact the office for a copy of those rights and educational safeguards.

**SUSPICION OF ABUSE REPORTING POLICY**

Indiana Law requires a person to immediately report suspected and reported child abuse to the authorities and in organizations such as Gary Middle College, to the appropriate individual in charge. A person who fails to do so can be prosecuted for a Class B misdemeanor or, in extreme circumstances, may be subject to civil liability for money damages. All employees and volunteers at Gary Middle College must adhere to the following procedures:

In the event of suspected, reported or discovered child abuse or violation of the Child Protection Guidelines of Gary Middle College, the employee or volunteer shall immediately notify the principal. In the absence of the principal, notify Dana Johnson, Attorney for GEO 317-536-1026 ext. 4207. In the event of suspected, reported or discovered child abuse or neglect, the principal will also immediately make a report to the local child protection service or law enforcement agency.

At the beginning of each school administrative year, all employees and volunteers working with minor children will receive training regarding the signs of child abuse, including child sexual abuse, and will receive instruction regarding reporting procedures for any and all suspected child abuse.

## **SMOKING POLICY**

SMOKING IS NOT PERMITTED anywhere on school property, including around or inside all buildings, school grounds or vehicles on school property. Smoking will also not be permitted while on field trips. If a student chooses to smoke, he/she must sign out and leave for the day but may return for the night program to complete the daily attendance requirement.

## **STUDENT RESPONSIBILITIES**

Once a student turns 18, they become legally responsible for themselves. This means they are able to legally access their own school records (and their parent cannot, without written permission from the student.) It also means that the student is no longer required by state law to attend school. However, this does not mean a student may attend whenever they wish. Attendance is mandatory at Gary Middle College, and once a student enrolls with us, they agree to follow our policies, including attendance and truancy. All students are required to attend school for the required number of days. Please see our Attendance Policy for more detail

## **SUMMER SCHOOL**

Students who fail any subject of the ECA testing as well as students who are formally retained will be required to attend summer school, per our approved School Board Policy. Students should anticipate no less than 30 days of summer school (5 weeks), and students should expect to attend in professional attire. Students who have more than 3 days of unexcused absences and/or tardies will not be enrolled as a student the following year and placed on the waiting list.

## **TECHNOLOGY USE POLICY**

Use of technology is essential to the curriculum and learning at Gary Middle College. Students will participate in a variety of lessons and activities using computers, printers, scanners, and other digital equipment. Students will receive training to use technology at school and home. Students are expected to follow and agree to the "Acceptable Use Policy" signed by all students and parents upon acceptance of enrollment. Appropriate use of technology is outlined below.

1. **Acceptable Use Policy** - Regardless of the circumstance, each student is expected to be responsible and honest, use common sense, and practice proper etiquette at all times. In order to comply, the following rules are in effect:
  - a. It is a federal crime to unlawfully copy software; any student attempting to copy the school's software and/or multi-media materials will be referred to the school's administration and law enforcement for disciplinary consequences according to the student handbook for vandalism.
  - b. Tampering with or vandalizing any part of the hardware or software will result in disciplinary consequences according to the student handbook for vandalism.
